9 - 14 June 2018
Held in English

Connecting with the Divine Feminine and Mary Magdalene

With Harriët Kroon

The Divine Plan Healing School invites you – all genders – to participate in our magical and absolutely unique retreat in the South of France, this coming June. This is a fantastic opportunity to connect deeply with the Divine Feminine, Mary Magdalene and the feminine aspects of your inner self. Also, this Divine Plan retreat is an excellent opportunity to get more connected with your own individual Divine Plan, your blueprint. The complete one-day Divine Plan Healer Training is embedded in the retreat. This means that when you go home, you will be able to do empowering healings with the Emerald Heart Light on yourself and others for the rest of your life! Do not despair if you have already received one or more Divine Plan Trainings. This extra training, together with the other retreat contents, outings and materials will be of extreme value to professionalize your healing and personal practice.

Top quality

We want to excel with this Divine Plan retreat and offer you top quality. Therefore we have hired the very best local spiritual tour guide and selected accommodation set in a beautiful natural environment. On top of the energy and Light work at the venue, you will receive two guided bus tours to several sacred sites. All meals are high quality vegetarian, 90% organic and cooked by Patricia who has been a vegetarian cook for 25 years.

The retreat will be given by myself, Harriët Kroon, Mother of the Divine Plan Healing System and Elder of the Emerald Heart. I will present the retreat in English. The advanced Divine Plan Healer Alexandra Meyn will be assisting and taking care of the organisation. Alexandra has an inspiring personality with a good sense of humour!

About the magical area

We are living in the era of the Rise of the Divine Feminine consciousness. Whether we like it or not, the Divine Feminine is awakening in all of us, men and women alike. This retreat will help you in finding a balance between your feminine and masculine consciousness.

We will stay in the area where the energies of the Divine Mother and Mary Magdalene, the source of the Divine Plan Healing System are very tangible. According to oral history, Mary Magdalene lived and taught in the south of France for decades. Now, two thousand years later Her calling is heard in the hearts of more and more people. Mary Magdalene is eager to help anyone who is ready to heal their feminine woundings, female and male. I feel clearly that this coming June, She will be present to support you to deepen your connection with the Divine Feminine qualities in yourself.

You don't need any experience

You don't need any experience with healing, the Emerald Heart Light, Mary Magdalene's Love or anything else that you might worry about. This retreat is open for all genders, for Divine Plan students, healers and teachers – for anybody who feels called. We welcome everyone who wishes to balance their Divine Masculine and Feminine aspects.

What will you receive?

All retreat days we will bathe in the Emerald Heart Light and the Love of Mary Magdalene, which form the masculine and feminine aspects of the Divine Plan Healing System.

We will work with teachings, meditation, and being in the Light. We will visit sacred sites and each day I will start with (simple) Taoist Chi Kung to make your body more receptive to the energies – fun and revitalising 😊. All participants will receive the 1-day Divine Plan Healer Training including the attunement into the heart of the Earth Mother.

- ♥ The attunement into the Earth Mother opens you deeper to the Emerald Heart Light and your heart is then connected into the Heart of the Earth Mother, the giver of manifest power. This will enhance your grounding, and help to build a more intimate relationship with Mother Earth. This sacred attunement will also facilitate the Divine Feminine to grow and expand through you.
- ♥ If you have already attended a Divine Plan Healer Training, you will do it as a refresher. You will receive all the updated materials, for the Light is always pushing

the Divine Plan Healing School forward with new insights and teachings. You will receive the attunement for the second time to reinforce your heart connection with the Earth Mother and the Divine Feminine. Our experience is that repeaters receive many new insights about the Emerald Heart Light, the Love of Mary Magdalene, and *their own individual Divine Plan*.

Where will you stay?

We will stay at the vegetarian hotel and premises of Laval Dieu in the hamlet of the same name, <http://laval Dieu.com/laval Dieu>. Laval Dieu is the local abbreviation for La Val de Dieu, which means the Valley of God. This area, with the inverted mountain of Bugarach, ruined Cathar castles, hot springs and powerful earth energies has a mysterious and sacred history. The impressive rocks that the hamlet is built on are evidence of its megalithic origins. The old paths, lined with huge slabs of stone date from Celtic times and one can follow in the footsteps of the ancient ones (or even those of the dinosaurs).

This area is also called Cathar country, and lies at the foot of the Pyrenees in the Aude department within the Languedoc region. The beauty of its pure nature and rich cultural treasures appeal to people of all ages. *You might want to combine a little holiday with family or friends around the retreat days.*

The retreat premises of Laval Dieu are part of an active horse breeding farm, with lovely rooms, basic camping facilities, and a seminar room. It is located in a stunning natural spot, with superb views of the Pic Bugarach. Unfortunately we cannot offer you a private room. Laval Dieu has only 2, 3 or 4 bed rooms and we trust that we will be able to match you with the right roommates. We will share rooms, showers and bathrooms. If you wish, Alexandra can help you to find roommates. If you prefer to camp, we offer this option with a discount.

- ♥ Be aware that Laval Dieu is a very basic site in a fantastic natural setting, and you won't find any shops or restaurants nearby. Your stay includes breakfast, dinner and packed lunches. On the days that we visit sacred sites, we will be eating lunch in a restaurant.

South of France... here we come!!

PS A little background information about Harriët and Alexandra.

Who is Harriët Kroon?

“I was born in 1963 and live in Amsterdam, the Netherlands. I studied Cultural Anthropology (MA), got another degree in Journalism, had a career as a journalist, editor and author, and then I ended up in a crisis. My breakdown became my breakthrough, but it took years to reconnect with my soul and its longings. Nowadays I am the Mother of the Divine Plan Healing System (gifted by Mary Magdalene). I am also the founder of the Divine Plan Healing School and a teacher and Elder of the Emerald Heart School of Enlightenment. I serve people all over the world via online video (Skype, Zoom) or telephone by giving personal consultations, healings and healer trainings. My healing path led via Reiki (Master), Theta Healing and 5 years of therapist training at the Barbara Brennan School of Healing and then to The Emerald Heart School of Enlightenment. Finally I felt my soul had come home. My life’s missions are to bring the Emerald Heart Light and the Light of Mary Magdalene into the world, and to help people to step into their individual feminine blueprint, onto their path and into their gentle power.”

Who is Alexandra Meyn?

“I was born in 1971 and live in Munich, Germany. I studied Economics and worked in the automotive industry for almost a decade, and suddenly had to leave from one day to the next as my heart and my soul were longing for a different path. So I started my own business as a Theta Healer and Theta Healing Instructor in 2012, and became an Emerald Heart Program Practitioner in 2014. Last year I was trained as a Divine Plan Healer by Harriët and I felt called to translate the website of the Divine Plan Healing School and the training material into German. Working with the Divine Plan feels like coming home to me.”

We are looking forward to being with you on our magical retreat
